

Music

2019

*High quality musical performances have been a distinguishing feature at St. Stephen's College. Last year we were excited to stage a full-scale concert, including an original musical, *Porcelain Dolls*, in the Jockey Club Auditorium at the Hong Kong Polytechnic University. All scripts and songs were written by our talented student playwrights, student composers, alumni music arrangers and teachers. Our cast enjoyed interpreting their assigned roles by putting on wonderful performances in terms of acting, singing and dancing over the course of two evenings. Apart from the original musical, our College Choir, Orchestra, Symphonic Band, String Chamber Orchestra and Chinese Orchestra gave stirring performances on both nights.*

Participating in music competitions and performing have always been a hallmark of St Stephen's College, and 2018-19 was no exception. In the 71st Hong Kong Schools Music Festival, our school entered a total of 22 team competitions, which was our highest number ever.

Our Boys' Choir won in the Choir Final and won 'The Best Secondary School Boys' Choir in Second Division' award. At the festival, our Mixed Choir, Treble Choir, Boys' Choir, Girls' Choir, Brass Quintet and Melodica Ensemble won a notable number of prizes of which there were three 1st prize awards, four first runners-up and one second runner-up award.

The results in the 2018-2019 music events are listed below:
