Concert 2019

The St Stephen's College and Preparatory School Concert 2019 is coming! Concerts provide students and staff with the opportunity to demonstrate their talents via a whole-school programme and represent one of our proudest traditions. This time, we have invited many great alumni and parents to take part.

Some will give spectacular performances as part of the Alumni Choir, the Alumni Band or the SSC and SSCPS Parents Choir, while others have provided invaluable support to various backstage departments. Through the concert, we can all see the vibrancy of the SSC community for ourselves.

Family Day

More than 1,000 alumni, parents and students visited our campus on 2nd March, 2019, for the Family Day 愛回家 @ St Stephen's College event. Highlights included X-Country – "Different Colours, Run Together", SSC Café, "Back to Classroom", game stalls and the SSC Family Concert. The day ended with a "Pun Choi" feast co-organised with SSCAA and supported by SSCPTA. The banquet, which was the first of its kind held by and at the College, was attended by almost 500 alumni, parents and teachers. They shared a lot of fond memories at SSC with each other, filling the evening with joy and laughter.

Exchange Programme with Diocesan Boys' School

The inaugural edition of our exchange programme with Diocesan Boys' School (DBS) took place from 25th February, 2019 to 1st March, 2019. Throughout the five-day immersion, ten of our S3 students attended school at DBS, and seven DBS students got the full SSC experience as boarders at Martin Hostel.

I find the teaching and learning at SSC very creative and effective. As a passionate hockey player, my most memorable experience is joining a hockey team training session. I really hope that more joint-school activities between DBS and SSC will be organised in the future.

Wong Sum Tat, David (Exchange Student from DBS)

The boys I met were amiable, knowledgeable and passionate about politics. The friendly competition among them was remarkable. This shaped the liberal learning environment and optimised learning in the classroom.

3L Leung Tung Yan Angela

There are many interesting things about DBS. For example, they have a longer lunch break. They tend to stay at school for lunch, and use the remaining time to play sports. Joining their lunch activities was very fun!

Exchange Programme with St Paul's Co-educational College

This year our school had an exchange programme with St Paul's Co-educational College between 2nd and 4th April, 2019 (SPCC student at SSC) and between 9th and 11th April, 2019 (SSC students at SPCC). Six S4-5 DSE and IB students from each school joined the programme. Besides attending normal lessons, they also took part in various special activities, such as having lunch with the school principals and learning more about the history of both schools.

Last day at SPCC

Last day at SSC

Going to SPCC as an exchange student was an enriching and inspiring experience. Thanks to the programme, I made many new friends, one of them being Woody, my 'exchange buddy'. He was always very focused in class and enthusiastic about taking part in class activities. There was so much that I could learn from him and other SPCC students. I also enjoyed having lunch with their Principal Mr Frederick Poon, who was an English teacher at SSC. He welcomed us with open arms and shared with us many interesting anecdotes about both schools. The greatest thing about the programme was that I was able to step out of my comfort zone and build up self-confidence and self-esteem in an unfamiliar learning environment. I will definitely recommend it to everyone.

Exchange Programme with St Margaret's Anglican Girls' School, Australia

Exchange is a wonderful opportunity to develop independence, resilience and social skills, while experiencing school life in a different culture. We feel very privileged to have had this opportunity as we believe it is one which cannot come through other forms of travelling. The fast-paced life of Hong Kong contrasted to that of easy-going Brisbane. The St Margaret's community promotes friendship and offers a diverse range of opportunities welcoming everyone with open arms. We encourage anyone hoping to live overseas to take this life-changing opportunity which will open your eyes to a world outside of school.

Edwina and Julia (Exchange Students)

It is an honour to have had such an amazing exchange opportunity in this academic year. Spending a month as an exchange student in Brisbane has given me the experience of living in a foreign country for the first time. The programme has not only improved my English and communication skills, but also allowed me to step out of my comfort zone and adapt to different cultures and challenges. Through solving the problems that arose during exchange, I became more independent, mature and open-minded to new ways of living and being. I can say that this is the experience of a lifetime.

4Y Yi Lin

It was a great opportunity for me to host the exchange students from Australia. Not only was I provided the opportunity to get to know about different cultures, I was also able to develop strong communication skills. After hosting the two exchange students, I realised that I didn't really know a lot of places in Hong Kong. For example, I have never been to a Buddhist temple before. The programme really helped me reflect on my own culture.

WYNG Philomathia Machine Learning/ AI Competition 2018-19

Our students 5D Chung Tsun Ho Anson, 5D Wong Carol Kin-ning and 5H Wong Chung Hin won the WYNG Philomathia Machine Learning/AI Competition 2018-19. They had to identify quality variations of individual strawberries, in terms of size, ripeness and damage, through designing a system that automatically distinguishes high quality strawberries from others. The system used affordable sensing methods such as a webcam for computer vision and Arduino with some other sensors. Artificial Intelligence is another major feature. After tasting strawberries to collect data, the students wrote Matlab and Python programs to put the strawberry-classification algorithm that they read about in academic journals into practice. The final product was the culmination of months of hard work by a group of devoted, talented students who were able to solve novel problems and go far beyond the

curriculum at school. As a result of their victory, they will go on a trip to the University of Cambridge in the coming summer, all expenses paid. We hope to see more enthusiastic students challenging themselves like this team did.

The annual SSCPS Campus Day was held on 30th March, 2019. A lot of students and parents from our Preparatory School participated in the event and heard talks by our Principal Ms Yang and Deputy Principal Mr Chan on our curriculum and student development. The docent team led our visitors around the campus and a few students shared their experiences in the STEM and boarding programmes. All the participants enjoyed the event and the students were very keen on joining SSC in future.

踵武前人，窺探歷史

人類群居構成社會，社會種種活動形成歷史。研讀歷史若只局限在書本閱讀，課堂教授，只能算是紙上談兵。倘能走到歷史現場，重塑前人足跡，發思古之幽情，歷史知識才能活在人心。

2018-19 學年，中史部門為修讀中國歷史的同學安排了一系列的歷史考察活動：

2018年12月，為中一同學設計「廣州、佛山地區的歷史及文化」主題。同學參觀佛山祖廟、廣州南越王墓、聖心石室教堂及伊斯蘭懷聖寺。

復活節假期間，則以「孫中山的革命足跡」為主題，老師帶領中三同學參觀中山的孫中山故居博物館、廣州大元帥府、黃花崗七十二烈士墓園、辛亥革命紀念館及黃埔軍校。

另外高中選修中史的同學，亦利用復活節假期前赴西安進行六天的考古及歷史文化考察，希望啟發同學對實地考史的興趣。行程訪問西北大學；實地參與考古模擬活動；參觀有現代世界奇觀之稱的秦兵馬俑博物館，自製陶俑；登華山北峰，近觀五嶽之險；漫步西安古城，體驗昔日大唐氣勢。總之，在六天行程中，同學間共同生活、互相學習，每晚研討，切磋砥礪，無論在思想、眼光、學問和待人接物方面都有很大進步。

Thai Model United Nations

In early April 2019, a delegation of 18 students flew to Bangkok, Thailand, for the sixth edition of Thailand Model United Nations Conference – one of the most lauded in Asia-Pacific. There they participated in three intense days of debate on various global issues alongside the hundreds of delegates from around the world. The teacher-chaperons were Miss Erica Ngai and Miss Hye Joo Jeong.

Docent South Korea Historical and Cultural Tour

The Korean Study Tour held during the winter break was an eye-opener! I learnt about the history, customs and festivals of the country. For me, the most memorable part of the tour is counting down on New Year's Eve because I had never been outside of Hong Kong at the turn of the year. Teachers often say study tours help us build friendships; I can say that this is absolutely true. For example, I did not know Toby Leung (who studies in the same class) very well, but we have become close friends since! The study tour is truly one of the greatest experiences I have ever had at SSC.

團結領袖精英，培育學長成材

聖士提反書院傳統以全人教育，培育精英為鵠的，多年來挑選學校精英為學長，作為同學的表率，學習的楷模。為了培育這些精英成為學生領袖，學校每年都會舉辦不同形式的領袖訓練活動。本年一月舉行了學長領袖訓練日營，透過不同的解難及挑戰自我能力的活動，團結學長之間的互助互補精神，發揮合作解難的能力，使到學長團隊能更茁壯成長。

Easter Service

Our Easter Service celebrating the resurrection of Jesus was held at St John's Cathedral on 17th April, 2019. Mr Adam Mok, the Pastoral Assistant, was invited to give a sermon, which inspired us to lead a new life with Jesus.

Staff Development Days

A talk on 'Mediation Works in School' by Mr Albert So Man-kit from the Hong Kong Mediation and Arbitration Centre was held on 15th February, 2019, our First Staff Development Day. Mr So advised teachers on mediation work in the school context and gave an interactive and informative presentation.

The Second Staff Development Day was held in the afternoon on 21st March, 2019. A talk on 'School Crisis Management' was conducted by Ms Nancy Shaw, Lecturer at the Chinese University of Hong Kong and the Education University of Hong Kong and an approved instructor of Critical Incident Stress Management. Teachers were reminded of the procedures of handling crises at school.

Farewell Teachers

Mr Cheng Kwok Hung

There are many useful takeaways from my time at St Stephen's, where I have learnt about the intangibles of culture, as well as the hidden curricula that shape students' outlook and behaviours. My understanding of what constitutes effective learning and teaching is definitely stretched. The experiences of addressing the varying needs of a diverse student body are especially relevant. It is a privilege to be able to work with many classes, teams and student groups across different grade levels. Been a growth experience after all.

Mr Cheng with his students from 6C and 6D

Mrs Chung Kwan Kam Sheung, Cortia

Mrs Cortia Chung, the Head of History and teacher-in-charge of the Heritage Society, is retiring at the end of this school year.

Mrs Chung was my class teacher in Form 1. She had so much confidence in me – a shy and timid boy who had never done any public speaking before – that she strongly encouraged me to join the docent team. Introducing our school to visitors was an unsettling experience at first, but with the training that she offered me, I managed to step out of my comfort zone and become a capable docent. I hope to contribute as much as possible to Heritage Society in future.

Another wonderful thing about Mrs Chung is her impressive ability to organise school events,

Mrs Chung and one of her favourite students – Mr Tam

Dr Fernandez, Juan Pablo

Dear students, colleagues and parents,

Working at St Stephen's College has been an interesting experience. As you all know, in life there is no such thing as a bad experience. In every decision we make, there are things to sacrifice, and these choices based on selective sacrifices are the ones that determine if we live a rich, plentiful, half-full or mediocre life. My choice was brilliant! I strongly believe in holistic education across Primary, Middle and Diploma Years.

It is what makes the difference. My thirst for knowledge needs to be satisfied and hence I am bidding farewell to you all.

Best of luck,
Sincerely,

Lt Cdr and Dr Juan Pablo Fernandez Von Heindrichsen

often by rallying support from our alumni. She was in charge of the SSC Family Day, which aims at bringing past students back to school through a range of fun-filled activities. As the coordinator of Concert 2019, she sought the help of many alumni, who served as consultants in various backstage departments.

Having served the College wholeheartedly for a quarter of a century, Mrs Chung will be dearly missed by everyone in the school community. We all wish her a fruitful and fulfilling retirement.

It has been a great pleasure to have Mr Lai as my Physics teacher. He is always willing to spend time in class, during lunch and after school to answer our endless questions. He is very passionate about applied physics and it seems that he knows everything about home appliances! Not only did he help us get through our DSE exams with ease, he also provided guidance whenever we had questions outside of the syllabus, which further strengthened my interest in the subject. I am grateful for Mr Lai's dedication in nurturing us, and I wish him a happy and fruitful retirement life.

SSC Orbis Student Ambassadors 2018-2019

In this academic year, seven of our S5 students were appointed Orbis Student Ambassadors (Yeung Chi Ching, Cheng Ho Yee, Cheung Tsz Yau, Ng Tin Wing, Lam Ching, Lee Tsz Wing and Yu Choi Lam), responsible for promoting the importance of quality eye care and raising the awareness of the 17 global goals Orbis has been trying to achieve in the school community.

The Orbis Week was organised from 14th to 18th January, 2019. Different activities were held during lunchtime and after school, including selling smart device stickers designed by our students, "Singing In The Dark", blindfolded games, dress casual day and the main theatre project, "The World i See". The performance is based on a true story of a man who suffers from a rare type of eye disease, Retinitis Pigmentosa (RP). Members of the audience were blindfolded and experienced the play mainly via hearing. Our 9 musicians played music and sang. To increase the excitement, there was a short "blindfolded walking" activity that allowed the audience to understand the difficulties encountered by people who are visually impaired.

We would like to thank our principal Ms Yang, teachers, parents and fellow schoolmates for supporting us throughout the whole activity. Without your support, we would not have raised more than \$47,000 for Orbis, won the Top Fundraising Award and been given 2 free places on a mission trip to Bangladesh this summer.

S6 Graduation Ceremony

Many parents, alumni, guests and friends attended this year's Graduation Ceremony on 28th May, 2019 to congratulate graduates on their achievements. It was our honour to have the SSCAA President, Dr Louis Chan, to share with us his words of wisdom. Mr Eric Wong, representing SSCPTA, also addressed us and prayed for graduates' well-being in all aspects. The speeches of the Class Teachers and Class Representatives made the Ceremony colourful and lively. From picking up their gowns and taking part in the rehearsal to receiving their certificates, every S6 graduate contributed to making the Ceremony a success. We wish them every success in their future endeavours.

S5 Mentorship Programme

In collaboration with the Alumni Association, the annual Mentorship Programme for S5 students kicked off on 16th November, 2018. More than a hundred students signed up and they were paired up with mentors of various professions, such as finance, insurance, medicine, law, engineering, film directing, fashion design, advertising and logistics. They gained knowledge of their mentors' disciplines and were equipped with practical workplace skills through company visits and job shadowing from December to June.

My Assets

In a programme co-organised by the Career Guidance and Life-planning Committee and the Hong Kong Federation of Youth Groups, S1 students first learnt to recognise one's 'assets', which include knowledge, skills and attitudes, then visited different districts in Hong Kong to appreciate the efforts of people at work. They were encouraged to reflect on and appreciate the 'assets' of those outside their circle through conversations. It was certainly a meaningful outing. We hope that S1 students can acknowledge their assets, see the good in others and show appreciation in a world where interpersonal communication is often in jeopardy.

SSC English Week 2019

SSC's annual English Week took place from 26th February to 1st March, 2019. Students participated in a plethora of fun activities over those fruitful four days.

Unlike years past, the English Society rolled out the event in the first term with an English Bookmark Design Competition. The three winning entries were given out as gifts during English Week. The winners were Helene Huang of 2H, Marcus Choi of 1Y and Taylor Wang of 2C.

A book fair was held from 27th to 28th February. Students who purchased books were given handmade inspirational cards prepared by our Artwork Design Crew. Alongside the book fair was a Hong Kong Public Library booth promoting the benefits of reading.

The highlight of English Week was two stand-up shows by renowned funnyman Mr Vivek Mahbubani, who made the students laugh like never before with endless jokes on local culture and anecdotes on using English in Hong Kong. "It's not that my life is funnier than yours; it's just that I look at it from different angles," said Mr Mahbubani.

A big thank you to the English Society, the Artwork Design Crew and the teachers-in-charge for making English Week a rousing success!

S1 Alpha Day Camp

The S1 Alpha Day Camp was held on the school campus on 17th January, 2019. All S1 students and some Christian teachers participated in this activity. We played, sang, shared and prayed together. With the assistance of our brothers and sisters from the Incubator Ministries, Shau Kei Wan Baptist Church and Christian parents from our Parent-Teacher Association, students were given opportunities to experience God's love, kindness and forgiveness.

H2O Camp

The H2O Camp was successfully held on the school campus from 18th to 19th January, 2019. This year's theme is "Reveal", as many students are unwilling to reveal their true self and try to conceal their sense of unworthiness and insecurity. The Bible said, "the truth will set us free" (John 8:32), so through a series of activities, such as Pastor David Wong's sermon, our students dispensed with their fear and rebuilt their trust in God. It was truly a meaningful and fruitful camp.

Gospel Week

Our Gospel Week was held from 20th to 24th May, 2019. We were delighted to have invited Hong Kong Gospel Martial Arts Ministry and Reverend Lem Tsang from M9 Marginal Youth Ministry to come and share with us. We also had morning scripture sharing, afternoon video show, morning and lunchtime worship, book exhibition and bible verse artwork display.

S5 High Table Dinner

Our S5 students had a nice evening with Mr Kevin Leung, Dr Jason Chan and Mr Yam-ki Li, the guest speakers of the High Table Dinner held at the Officers' Club of the Correctional Services Department. The Dinner, one of the most memorable events of the Mandatory Boarding Programme, provided a chance for our students to dress up and enjoy a feast with their fellow classmates. It was also conducive to their life planning as they learnt about different professions by listening attentively to the guests and interacting with them.

Service Learning Programme

On their Service Learning Days, S3 and S4 students visited elderly citizens and intellectually disabled people respectively. They worked in small teams to organise some fun activities and bring joy to them. The Service Learning Programme aims to raise students' awareness of the needy in our community. They learn best by doing, serving and reflecting on their experience.

今年，學校在音樂、運動等各方面都有卓越的成績，但同學在未取得成功前，一定遇到不少逆境和挫敗。是誰鼓勵他們積極地面對困難呢？我想，老師必是功不可沒的。我是這裡的舊生，全賴老師的教導，才能度過難關，重新站起來。同學們記得要把握機會，感謝你身邊的良師。現在當老師越來越難，不少家長以「消費者」自居，社會亦充斥著種種荒唐的事，希望各位老師能繼續緊守崗位，堅持追求真理，勿忘初衷。

2019年4月13日是一年一度的家長教師會大旅行。是次活動反應熱烈，一共有過百位師生家長參加。當天早上因天雨關係，原訂於小夏威夷徑遠足的行程改為遊覽沙田香港文化博物館。中午，大夥兒於西貢午餐，並於席間進行了大抽獎，氣氛熱鬧。下午天色好轉，旅行團可以依照原訂行程遊覽西貢鹽田梓，大家都過了輕鬆愉快的一天。

期待已久的家教會旅行日雖然遇上天雨，但大會一早就宣佈將步行90分鐘的觀光行程改為參觀香港文化博物館，消除了大家的擔憂，值得一讚。西貢海鮮午餐固然美味，但飯後的抽獎活動更令人難忘，因為我與兩個女兒竟然連中三元！在鹽田梓，我們親眼看到了何謂文化傳承，還品嚐了地道的茶粿和豆腐花。這真是一趟充實的旅程！

Gifts for S6 Graduates

As in last year, all S6 graduates received a personalised mug from the Parent-Teacher Association as a graduation gift. We hope that this mug, which is printed with SSC campus photos, will remind them of many fond memories of their secondary school life. Besides the mug, a drawstring bag with a special school crest was also given to each graduate as a keepsake.

Happy Hour Gathering 2019

Around 20 SSC parents and over 50 SSCPS parents from P5 and P6, joined by the College Principal, Ms Carol Yang and the Prep School Deputy Principal, Mr Gordon Wong, were having a happy hour gathering on April 8, 2019 at Frites in Central. It was the third year that this annual event was held. This gathering provided an opportunity for Prep School parents to obtain first-hand information on teaching and learning at SSC directly from the College Principal and parents with children studying in different years, taking mainstream or alternative language classes, or preparing for HKDSE or IB public exams. The gathering started with a short sharing by Ms Yang and Mr Wong on the latest development of SSC, followed by casual conversations among parents over snacks and drinks.

「新舊共融」長者服務系列

承蒙家長教師會贊助及派出委員鼎力支持，我們一群有志義工服務的同學在本學年為赤柱區長者籌辦了四項活動，主題分別為康樂遊戲、美食共享、定向追蹤和藝術音樂。每次活動都融合「舊日」與「現在」之元素，鼓勵長者和同學互相交流，由長者細說經驗，同學介紹新事物，好讓兩代人和諧共處，開心分享。每項活動都有二十多位長者出席，他們熱烈參與，充滿活力。最為長者喜愛的是定向追蹤活動，同學及長者組成小隊，在限時內走遍赤柱區新舊景點。同學透過與長者相處，對上一代的喜好及思想有更多認識，更了解到舊日香港的風土文化。

是次義工服務不但為長者帶來歡樂，更讓同學得到寶貴的學習機會。謹代表各位同學感謝覃漢強先生、周玫芳女士及黃志文老師的指導和支持。
