Message from the Principal

Dear parents, students, alumni and friends,

In some quarters, St Stephen's College is called a 'happy school'. This label is usually applied to schools that place a premium on student wellness but (some would say) at the expense of scores and grades. For teenagers, however, the notion of a 'happy school' needs some reimagining. At St Stephen's, we believe that academic attainment and mental well-being are mutually constitutive, that is, one enables the other, and vice versa; by no means are they in opposition to each other.

In the '4Rs Mental Health Charter' launched by the Education Bureau in 2024, schools are encouraged to promote **Rest**, **Relaxation**, **Relationship** and **Resilience** among students. As a matter of fact, these elements have always been cornerstones of our brand of all-round education. Teachers walk with students in pursuit of academic excellence, but on the journey, we remind them to slow down, take a step back and enjoy the moment. As Principal, I try my best to be a role model in this regard. Work responsibilities never end, but personal wellness should never be compromised. On busy days, I take pleasure in occasional mind-wandering: a simple, healthy breakfast in the morning, a long-awaited concert at weekend, my next overseas trip to a new destination...

One school event that left a particularly strong impression on me is Cheerio, which took place in March on the last teaching day for our S6 graduates. It was a unique sight: our public exam fighters, who were reviewing their performance at the mock and getting final reminders from their teachers, took 30 or 45 minutes out of their busy schedule to enjoy ice cream, egg waffles and cotton candy specifically prepared by the school and the Parent-Teacher Association. Soon they were back in their classrooms and studying hard. Did the treats distract them from exam preparation? No. But did the treats cheer them on? Surely they did. I am very proud to say that the **4Rs** are being realised at St Stephen's thanks to the connectedness of our community.

Yes, we are indeed a 'happy school'. One where students find faith, hope and love in the knowledge that our Lord will lead the way. *'Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths.'* (Proverbs 3:5-6)

I wish you all a restful and enjoyable summer.

Warmest,
Mrs Julie Ma
Principal

Gratitude for simple home breakfast

All smiles at Cheerio!

蘇港澳三地學生文藝展演活動

「蘇港澳學生文藝展演活動」由江蘇、香港及澳門聯合舉辦，主題為「濃濃中華情 共築家國夢」，是次活動已於四月十四日假本校大禮堂順利舉行。在展演活動前，江蘇省副省長趙岩先生、香港特區政府政務司副司長卓永興先生及其他嘉賓親臨本校，聯同一百多位分別來自香港、澳門、江蘇省三地的學生，一同見證十間來自三地的中小學締結成姊妹學校。

在莊嚴的儀式後，三地學生為觀眾呈獻才藝，當中共有十三個表演項目，包括醒獅獻技、傳統中國舞蹈、崑曲、花式跳繩、情景劇、合唱團演唱、管弦樂團演奏等，充分展現出三地多元文化特色。

而本校的管弦樂團更以柴可夫斯基的F小調第四交響曲將氣氛推至最高峰，讓各嘉賓及觀眾盡興而歸。

京港同心 文化共融 北京香港姊妹學校交流團

為深化京港教育協作，我校師生代表團於四月十八日至二十二日赴北京開展為期五天的深度交流。活動以「文化溯源 青年共行」為主題，通過學術交流、古跡探索與生活體驗，讓同學親身感悟首都的歷史底蘊與國家發展脈搏。

我們探訪北京大學，由本校校友周君玥女士帶領各位師弟妹遊覽北大校園。周校友於二零一八年在本校畢業後，前往北大就讀經濟系。不同年代的SSCers在北大未名湖畔對話，感受百年學府的學術精神。同學驚歎於圖書館珍藏的《四庫全書》文獻，理解教育對國家科技發展的重要性。

「不到長城非好漢」，本校師生登臨古北水鎮及司馬台長城，在雄峻城垣上開展國情教育課。老師以戍邊歷史為引，闡釋長城作為「中華民族精神象徵」的深層意涵。同學親手觸摸明代磚石，深刻領會「守護疆土」的安全意識如何熔鑄於民族基因。

本交流團的焦點為「北京市第九中學交流日」，兩校學生「結對學習」，共上語文科及英語科公開課，透過課堂共學，同學認識到內地教育的模式，更在協作中建立跨越地域的青年情誼。之後，京港兩地青年共同舉辦「青年論壇」，就著「人工智能」等議題發表意見，加強兩地青年交流。

此次交流不僅踐行「行萬里路」的教育理念，更以鮮活經驗證明：當香港青年走進國家發展脈絡，方能真正讀懂「國」與「家」的意義。

在夾縫中窺探歷史的真像 中三中史研習團

歷史並非紙本教科書，因為文字只是對史事的一種主觀的後設描述，至於親臨歷史現場，徜徉在史蹟氛圍中，興許能讓中三同學窺探一下歷史的真象。

二零二四年十二月十八至十九日，全級中三同學及領隊老師約二百人前赴廣州實地考察一些中國近代史的遺址，嘗試從中重塑歷史的真象。十八日先到黃花崗烈士陵園，撫慰那些為革命犧牲的志士仁人；然後往訪大元帥府，緬懷昔日孫中山先生的護國精神；及後還到了清末以來的沙面地區，領略百多年來西風東漸後仍殘留的外國風情。

十九日行程，前往農民講習所，親身體會當年國共初次合作，共黨勢力的滲透和擴張；最後一行人在辛亥革命紀念館內重溫了鴉片戰爭至民初以來曲折跌宕的歷史。

中三是初中中史的終站，然而歷史的長河是流淌不絕的，我們安排的廣州近代史研習團，不過是為同學拉開少許歷史的大門，好讓他們在歷史的夾縫中嘗試窺探，至少在青蔥的歲月裏都曾和歷史打過照面。

Japan Study Tour: Exploring the natural & cultural wonders of Kyushu

During this year's Easter holiday, the Geography Department organised a seven-day overseas study tour to Kyushu, Japan, for 30 Secondary 4 and 5 students. They explored the vibrant cityscape of Fukuoka, the breathtaking landscapes of Mount Aso, the unique hexagonal basalt columns of Takachiho Gorge, and the natural marvel of Miyazaki's "Devil's Washboard." This immersive experience brought textbook geographical concepts to life and deepened their understanding of the interconnectedness between humanity and the natural environment.

Exchange Programme with Pui Ching Middle School

We are excited to welcome our friends from Pui Ching Middle School from 9th to 11th April! In the meantime, we have sent 10 of our outstanding S4 DSE students to their location. This exchange programme is set to offer enriching experiences filled with cultural insights, academic development, and the formation of new friendships. Let us embrace these educational adventures and create lasting memories!

Exchange Programme with Okinawa Amicus International School

We are delighted to share reflections from our successful event with Okinawa Amicus International School from Japan, which occurred on 14th January 2025, at St Stephen's College. It was a morning that beautifully highlighted the essence of international friendship and learning. Our guests from AMICUS engaged us with enlightening presentations about Okinawa and their school, and their Karate demonstration was indeed a highlight! In response, our talented students from the Brass Ensemble, String Quartet, and Treble Choir delivered a remarkable musical performance that showcased the rich cultural tapestry of our College. We extend special thanks to our dedicated Docents and College Ambassadors, who went above and beyond in welcoming our guests and ensuring the event proceeded seamlessly. Their contributions significantly enhanced the success of the day and fostered a warm and inviting atmosphere. This event was not solely about cultural exchange but also about building new friendships and enhancing understanding. We eagerly anticipate more such enriching experiences and the ongoing development of our global community. Thank you to everyone who participated and contributed to making this day unforgettable!

Family Day 2025

On 2nd March, our school grounds were buzzing with excitement as students, parents, teachers, and alumni came together for an unforgettable Family Day 2025. Organized by the College Ambassador, the event was a huge success, bringing everyone closer and creating lasting memories.

Thanks to the generous support from students, parents, alumni, the SSCPTA, and the SSCAA, the day showcased our strong school community. The College Ambassador team did an amazing job leading the event, ensuring there were plenty of fun activities for everyone.

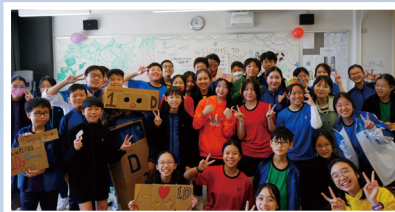

One of the highlights was the competitive cross-country competition, where both students and alumni showed off their skills. The family run added a special touch, with the crowd cheering for all participants, including our youngest runner, a spirited 1.5-year-old!

Game booths set up by various classes, clubs, and societies, along with the PTA and Alumni Association, kept the excitement going. Laughter and friendly competition filled the air as everyone tried their luck at the different challenges.

No celebration is complete without delicious treats! A bustling café offered tasty snacks, while Plus Bread, run by esteemed alumna Jody Lam, featured a popular bakery stall that inspired current students. Attendees also enjoyed taking home souvenirs like MagSafe water bottles and stylish Stanley mugs, generously donated by Suburban, founded by alumnus Greg Li. Plus, the SSCAA sweetened the day with an ice-cream stall, which is perfect for the warm weather.

As part of the celebration, the Music Department proudly hosted a Family Concert at the Grand Hall, offering a spectacular showcase of our students' musical talents. The concert featured an impressive lineup of performing teams, including the College Treble Choir, Mixed Choir, Treble Voice Ensemble, Mixed Voice Ensemble, Junior String Quartet, Senior String Quartet, Saxophone Quartet, Wind Quartet, Brass Ensemble, Chinese Orchestra, Symphonic Band, and the Orchestra. Each ensemble delivered stunning performances, demonstrating their dedication, teamwork, and passion for music.

Overall, Family Day was a fantastic success! Students reconnected with old friends, parents engaged with the school community, and alumni relived cherished memories. This event truly highlighted the spirit and unity of our school, leaving everyone with smiles and a sense of joy.

Farewell Teachers

Mr Law Jonathan Cham Fan

Two years isn't a long time in the grand scheme of things, but for me, these two years at St Stephen's have been filled with more laughter, learning, and surprises than I could have ever expected.

It was here that I found myself surrounded by students whose energy was matched only by their curiosity – students who kept me on my toes, who challenged me with their questions and creative stunts, and who never failed to make me smile (even on the most chaotic days). To my students: thank you for teaching me as much as I tried to teach you. Your patience with my jokes and endurance of my learning curve as a teacher have meant more to me than you know. I'll always be incredibly grateful for the time I spent as part of your lives.

It's a bittersweet moment to say goodbye at what feels like an abrupt turning point in my life, but as I step back from teaching to pursue further studies, I'll carry the warmth of this place with me. SSC and Stanley have given me more than I could have possibly asked for, and I will always hold these memories close.

My sincere thanks to everyone – from Mrs Ma and my lovely colleagues to all the students. Until we meet again.

Ms Pang Wing Tsui, Fiona

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel." – Maya Angelou

A student once unknowingly quoted my favorite words back to me, saying that I had made them feel excited about learning. Little did they know, it was their curiosity, creativity, and motivation that inspired me and kept me going—sometimes, even when I felt like I was hanging by a thread.

To my students: thank you for your endless skibidi questions, your delulus, and the trust you've shown in sharing parts of yourselves in our time together. You've reminded me, day after day, that learning is not just about facts or assignments—it's about connection, discovery, and growth.

As we move forward, I hope we carry Maya Angelou's words. Remember that the way you make others feel will ripple far beyond today or tomorrow. Whether in the classroom, at home, or in the world beyond, you have the power to inspire, to uplift, and to create meaningful change.

Ms Lee Sandra Pui Shan

Ms Lee's introduction to our VA class came at a crucial time, in the middle of our IB program, when our previous teacher had taken leave. It was a drastic shift in tempo for both students and teachers. Dropping into the middle of our program with ten new students to teach, and faced with a different working environment and unfamiliar peers, Ms Lee led our cohort with a fearlessness, passion, and determination that any student would be lucky to receive from a teacher.

In just half the time of the IB program, Ms Lee not only successfully guided our 2025 Visual Arts cohort—the largest in the school's history—through the IB course, producing ten conceptually and technically strong art exhibitions in the black box theatre (where both parents and teachers were invited to celebrate our hard work), but she also transformed the old IT room into a vibrant new Visual Arts studio. This provided us with a spacious and modern environment that allowed our creativity to flourish and thrive—all within a year of her arrival at St Stephen's.

While I was initially intimidated by Ms Lee's straightforward teaching style, it was exactly the push ten young artists needed to realize our true potential. I quickly came to appreciate Ms Lee's deep passion for the arts and her dedication to her students' work. Personally, my VA exhibition would not have been possible without her advice and motivation. She constantly pushed me beyond my comfort zone, encouraging me to take creative risks, whether it was experimenting with new oil painting techniques, exploring unfamiliar artistic mediums, tackling intimidatingly ginormous canvases, or simply meeting the daunting IB deadlines.

Ms Lee, thank you for your time at St Stephen's. I have learned, matured, and grown so much under your guidance. It was an absolute blessing and pleasure to have been your student, and I can confidently say the same on behalf of my classmates—as well as all of your past, present, and future students. We wish you all the best in your new chapter in Canada!

時光荏苒，轉眼間就來到道別的時候。

暑假過後我將會重回校園，繼續完成我的第二個碩士學位。感激校方當初的信任和支持，但我和大家一樣，還有一些理想要在外面追逐。學生還青春，你們明白的。

多謝同事和家長一路上的忍讓及幫助。「橫眉冷對千夫指」的場面固然沒有發生，但能在悠長的一百二十二分之一年，可以「俯首甘為孺子牛」，是我的光榮。中二Y班，還有中樂團的各位，一切在心中，不贅。謝謝你們每一位。

既然潤物細無聲，我就在外面等大家。總會有緣再聚，珍重！

Campus Day

We were thrilled to engage with the wonderful Prep School parents as we discussed educational aspirations. The thoughtful questions from parents motivate us to continually pursue excellence in shaping the leaders of tomorrow. Our dedicated docent team offered a meaningful introduction to the rich heritage and history that the school proudly upholds. We are grateful to them for being an essential part of this journey.

S.K.H. Education Expo

We extend a huge thank you to our colleagues, students, parents, and alumni who have made St Stephen's College's presence so impactful at this year's S.K.H. Education Expo. Together, we embody the spirit of SSC—我們都是聖記人。

Upon reflecting on our shared experiences, we believe that "Education is a lifelong journey without a destination." It's not solely about equipping students with future skills; it's about nurturing character, broadening horizons, and teaching adaptability to life's changes. The essence of education is life itself.

We were excited to showcase how St Stephen's College embraces this philosophy, preparing our students for the challenges and opportunities ahead. Thank you to everyone who visited our booth, engaged with our educators, and explored our vibrant school community. Your presence—whether as a prospective student, a curious parent, or a reconnecting alum — was invaluable.

We cherished hearing your stories and connecting with fellow SSCers, which inspired us all to continue our educational journeys. We hope you captured many memorable moments and found the expo enlightening and enjoyable.

HK Outstanding Student Award

We are pleased to share that 6L Mok Samuel Kwan Chung, an exceptional student at our College, has been named a finalist for the Outstanding Students Award! Throughout his academic journey, Samuel has demonstrated extraordinary dedication, resilience, and a sincere passion for learning, embodying the core values of St Stephen's College.

Please join us in congratulating Samuel on this significant achievement. We are immensely proud of you, Samuel, and look forward to your continued success. Your hard work and determination serve as an inspiration to us all.

Sir Edward Youde Memorial Prize

Two of our exceptional former head prefects, 6L Mok Samuel Kwan Chung and 6Y Cheung Ashere, have received the esteemed Sir Edward Youde Memorial Prize for the academic year 2024/25! This distinguished award is presented to senior secondary school students who have exhibited remarkable learning capabilities and leadership skills. Both Samuel and Ashere have thrived in these domains, consistently demonstrating their dedication to academic excellence and leadership within our community. Their accomplishment is a well-earned acknowledgment of their diligence and the positive impact they have made as role models. Let us extend a hearty round of applause! We are immensely proud of both of you and look forward to the remarkable achievements that lie ahead. Continue to shine and inspire those around you!

Science for Service 2025

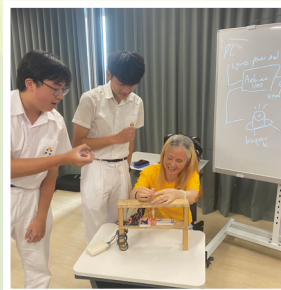

Welcome to Science for Service 2025 – our annual cross-department project where students apply classroom science to address real-world challenges! This year again, we partnered with Artscompa, a remarkable troupe of performers with diverse abilities (including visual impairment, mobility differences and hearing loss). Their powerful drama workshop immersed our S3 cohort in the daily realities of living with disabilities, followed by candid discussions about specific struggles like navigating technology, mobility barriers, and communication gaps. Armed with these insights, teams designed assistive devices tailored to actual needs.

That smile says it all! Our guest reacts to testing our power bank – a moment of pure pride for the team.

When Science Met Empathy: Building a Power Bank That "Speaks"

In our project, we created a special power bank for visually impaired people who couldn't see the LED battery indicators. As lights were useless for them, we invented a power bank that makes beeping sounds to show the remaining charge.

By talking directly with people with visual impairments and hearing their personal experiences, it made us realize that to make something truly helpful for people, you must understand their daily challenges. After a few trials, we made several modifications and improvements, including reducing the size to a more handy 7 cm x 9 cm x 10 cm. We also adjusted the texture to be rougher and uneven for better grip.

We were really pleased when our guest gave us positive feedback and the sense of satisfaction we got from this was amazing! We're grateful to our school for this chance to help others using our science knowledge. This whole experience showed us how thoughtful design matters, and how science can make everyday life better when we truly listen.

Mission Accomplished: Our Young Engineers Conquer the Depths! Celebrating Our Budding Roboticists!

The pool is calm, but the excitement is still rippling! We're thrilled to share that our student's participation in an underwater robotics competition (ROV MATE) was a resounding success. During the second term, our young engineers dove headfirst into an incredible challenge: designing, building, and testing their own functional underwater robots.

Witnessing the final pool demonstration was truly inspiring. Our ROV Team navigated complex tasks, showcasing robots they built from the ground up. We saw ingenious solutions to real engineering hurdles – mastering buoyancy, perfecting propulsion, and refining controls through persistent iteration. The buzz of collaboration, flashes of critical thinking, and sheer determination on display were unforgettable.

This project was far more than creating cool gadgets. It ignited genuine passion for technology, physics, and the power of teamwork. Students experienced the thrill of applied science firsthand and the immense pride of seeing their own creations perform. Their hard work, problem-solving, and resilience shone brightly.

A huge congratulations to all our brilliant young innovators! Their creativity and dedication in conquering this underwater challenge were remarkable. Stay tuned for glimpses of their amazing robots and future adventures in STEM!

Empowering Future Leaders: S2 & S3 Leadership Adventures

In December 2024 and April 2025, our S2 and S3 students embarked on transformative leadership journeys through two signature programs: the S2 Legacy Project at Junior Police Call Permanent Activity Centre and Integrated Youth Training Camp in Pat Heung, and the S3 Outward Bound Hong Kong experience in Sai Kung.

Having completed a series of challenges, S2 students quickly developed strong bonds and mutual trust. Through discipline and teamwork, they tackled each task with determination. During the team-building activities, it was heartening to see our SSCers contribute their best to accomplish every mission with unity and spirit.

During Outward Bound, the S3 cohort faced physical and mental challenges that tested their resilience and collaboration. Memorable moments captured students sitting in a circle and working together which was a powerful image of shared purpose and growth.

Coaches and escort teachers praised the students' initiative and adaptability, while student reflections revealed deeper insights into leadership. An S2 student shared, "I learned that leadership is not about giving orders, but about listening and working together." Some S3 students reflected on their proudest achievements after the Outward Bound camp, including overcoming physical challenges, working as a team, and developing resilience. They highlighted aspects of personal growth in mindset, teamwork, environmental awareness, and the ability to handle stress and difficult situations.

These experiences not only strengthened leadership skills but also nurtured empathy, perseverance, and a growth mindset — qualities that will guide our students as future leaders.

Easter Service

On a bright and beautiful morning on 16th April 2025, we held our annual Easter Service at St John's Cathedral in Central. We began the procession, with our Head Boy, 5Y Mok Timothy Kwan Yeung, and Head Girl, 5D Hui Yik Lam, carrying the college banner followed along with the Principal, Deputy Principals, Assistant Principals, Reverend Amos Poon and Reverend Will Newman. The gospel of Luke was read aloud in the sanctuary filling our hearts with grace and mercy. Reverend Amos Poon preached a powerful sermon on the power of prayer and how Jesus Christ prayed while he was on the cross. Our college choir also led the school to worship in the melodic hymns. We ended with our college song, united as many unique members but one body in Christ.

The Gospel Week: *RENEWAL*

The Gospel Week was conducted with success from 7th to 11th April, with this year's theme being "Renewal." A series of events and activities organized by the Religious Education Committee and the Christian Fellowship centered around seeing God through the life, death and resurrection of Jesus Christ. The art exhibition consisted of paintings focusing on Christ's crucifixion, Christ Ascension and the Rapture, pointing to the true meaning behind why we celebrate Easter and the hope we look forward to. Mr Victor Choy painted three pieces of work just for this year's exhibition. They are the Cross, Resurrection and Ascension. In addition, English Teacher Mr Timothy Lim wrote a poem Rust for this year's Gospel Week. Next to the art exhibition was a photo blessing booth for students to reflect on their identity and purpose in life.

During lunch, a special communion service led by Rev Will was held for parents, teachers and students. A Wellness & Blessing Booth was also set up at the Centenary Building and the Classroom Block during lunch time where students played games and received prayers and blessings at the photo booth. The highlights of the week were the two Religious Assemblies. In the Day 6 Assembly, Ps Andrew Lee shared his life story about how he turned over a new life while he was in Stanley Prison and gave his life to God. In the Day 3 Assembly, Rev Will preached on what we can choose to build our lives on and sand artist Ma Chai performed live sand art pieces depicting the story of Jesus journey from the cross to his resurrection. The sand story was choreographed to music from the Worship Team and projected to a large screen at the Grand Hall. The inspiring sharing and stories left a profound impact on the students, inspiring many to follow Jesus and live their lives to the fullest.

H2O Camp 2025: *Overflow with God's Abundant Life*

After last year's powerful message on biblical hope, the Christian Fellowship once again held its annual winter overnight camp, H2O Camp, on 10th to 11th January 2025. This year, the event was held at the Lee Yue Mun Park and Holiday Village, with 40 students joining in to experience spiritual renewal and deeper fellowship under the theme "Hope to Overflow."

The camp began on campus with an exciting team challenge. Divided into groups, participants raced against time to complete various mini-games and collect as many "water droplets" and Bible verse fragments as possible. The final goal was to fill their cups and piece together the Bible verse, *"But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."* (Isaiah 40:31). This activity not only stirred up friendly competition, but also set the tone for a weekend centered on faith, perseverance, and spiritual overflow.

After that, students enjoyed a barbecue dinner together, deepening friendships through shared cooking and fun. The evening session, titled Journey of Life, was a reflective and interactive experience. Through a game that simulated life's decisions and consequences, students were guided to think deeply about what truly matters in life. As they considered their hopes, regrets, and final wishes, many began to explore how faith shapes one's direction and values. The session closed with a powerful time of quiet reflection on the meaning of life and the role of faith in guiding it.

On the second day, Pastor David Wong shared a profound message from John 10:10, *"I have come that they may have life, and have it to the full."* He spoke about how sin separates us from God's abundant life, and invited students to repent, and accept the freedom and fullness found in Jesus. Many students responded with sincerity, stepping forward to embrace God's forgiveness and renewal.

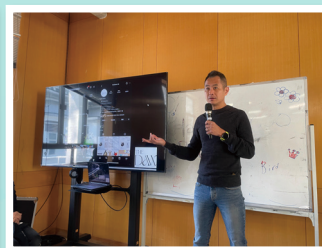

We are thankful for the participation of Christian teachers and the commitment of the student committee, whose leadership made this camp possible. As we continue into 2025, may this "hope to overflow" continue to pour into the lives of everyone at St Stephen's.

Participants raced to collect water droplets and Bible verses.

Arise and Shine: The 10th Joint School Revival Camp Ignites a Generation

The 10th annual Joint School Revival Camp was held from 22nd to 24th April at the International Christian Quality Music Secondary and Primary School (ICQM). Marking a decade since its inception in 2014, this year's theme, Arise and Shine for the Lord, echoed the original camp's call to rise up for God's purposes. Over 200 secondary students from various schools and churches attended, including 17 from St Stephen's College.

The camp opened with a joyful ceremony featuring inspiring messages from principals, followed by fun mass games and a lively BBQ. The first evening session featured actor Zac Koo and Pastor Rainbow. Through powerful testimonies of brokenness and restoration, they shared how surrendering to God brought transformation and purpose. Their stories moved many students to commit themselves to Christ.

The second night was hosted by the St Stephen's Society, a ministry founded by missionary Jackie Pullinger. Their original drama depicted society's pressure to attain "three highs"—academic achievement, income, and appearance—and the emptiness that can result. A symbolic figure representing God reminded the characters of their true worth and calling. Testimonies from former "troubled youth" illustrated how Jesus gave them new life and direction. The night concluded with a message calling students to shine for God, not for personal glory, but to reach the broken.

On the final day, students were sent out in teams to serve the community. One hosted a carnival for the elderly at ICQM, another shared the gospel in nearby streets, and a third visited local schools—including St Stephen's College—to pray for them and deliver handmade cards and gifts. These acts showed the gospel in action and inspired students to be lights on their campuses.

Now in its 10th year, the Joint School Revival Camp remains a powerful platform for raising young Christian leaders—calling them to arise, shine for Christ, and bring His hope to the world.

17 SSC students joined the camp

Actor Zac Koo shared how God transformed his life.

Students' Day

Over the past year, the Students' Association has worked hard to strive for the student body and organize different engaging events. One of our key moments included this year is Students' Day, which was held on 24th January. We organized different sport competitions, from basketball and badminton to football, which is one of our newest events. The matches were filled with camaraderie and the fierce competitive spirit of our students which was quite a sight to witness.

One of the highlights also included our talent show, where students showcased their unique talents, from singing to gymnastics. Needless to say, we feel that our Students' Day was a great success and we hope that all students enjoyed their time.

Throughout the year, the SA has made other efforts in the hope of improving the lives and wellbeing of our student body. For example, we held a Casual Wear Day, our long-awaited Joint-school Christmas Ball with 7 other schools and our exchange program with Pui Ching Middle School.

We thank all students for the support and feedback which has helped us to improve our SA as a whole and also created a better school environment for everyone all throughout the year. It has been an honour to serve as your Students' Association!

溯源歷史 共築家國情懷

為深化中一同學對本土文化與國家安全的認識，國家安全教育組與綜合人文科於2025年3月17日合辦「香港圍村文化參觀團」。同學們踏足歷史悠久的粉嶺龍躍頭文物徑及元朗錦田文物徑，親身探索本地重要的文化遺產。

中一同學已在綜合人文科課堂上學習了香港本地歷史及圍村文化，是次活動更加強同學的認識與體會。當日，同學們在導賞員帶領下，親身細察圍村的獨特建築風格（如祠堂、更樓、圍牆等），聆聽圍村先民團結自衛、守護家園的動人故事，並了解其傳統習俗與宗族制度。這些珍貴的文化印記，不僅是香港歷史的重要篇章，更生動體現了中華民族重視家國安全、社群共融的優良傳統。

透過實地考察，中一同學們深刻體會到文化傳承與國家安全的緊密聯繫——守護獨特的文化身份，正是維護國家總體安全的重要基石。活動有效提升了同學們的文化認同感和國民身份認同，深化了對「國」與「家」密不可分的理解，收穫豐碩。

Moral and Civic Education Committee

“Embrace Justice: Work Ethically, Act Righteously”

To promote the theme of values education, “Embrace Justice: Work Ethically, Act Righteously”, the Moral and Civic Education Committee organized a series of engaging activities, including the S2 and S3 Rich and Poor Simulations, ICAC Talk and Justice Checkpoint. Additionally, the Moral Ambassadors hosted the Justice Week, featuring a variety of events such as booth games, busking performances, a sharing session by police officers and volunteers from the Animal Watchers Programme, and an inspiring talk by Dr Andy Lam, an SSC parent, on forensic pathology. Students were encouraged to participate in these exciting activities to explore and embrace the value of justice.

Heritage Trail Open Day 2025

The annual Heritage Trail Open Day was held on 15th February. This year marks Heritage Society's 16th year of offering tour services for the public and improving our leadership skills by leading and participating in the society's activities. The Heritage Trail Open Day is a day to celebrate our successes and show people outside our school the history and specialty of this campus that many of us call home. On that day, we invited prestigious guests, professors and more to give talks on the history and heritage in Hong Kong. The students in our society designed a variety of souvenirs, such as keychains and water bottles, so that tourists could buy a keepsake to remember their trip. We also designed games for people of all ages to play; the games allow visitors to learn more about the history of our school. Lastly, the most important part of being a Docent is guiding tours. Multiple tours were held on that day, and I believe our students interacted well with the visitors, exchanged with some university students, and chatted with visitors about their own experiences as Docents. We hope everyone enjoyed the Heritage Trail Open Day and we look forward to the next one!

大埔領袖訓練啟導工作坊

文物學會在二零二五年四月五日舉辦了大埔領袖訓練啟導工作坊。活動當天雖有微雨，但無阻參加者興致勃勃地走訪由負責委員精選的地道文化食店和歷史古蹟，當中包括了香港鐵路博物館、舊大埔墟警署及敬羅家塾等等的古蹟。活動透過城市定向方式走訪各考察點，不但身體力行地實踐「讀萬卷書不如行萬里路」的道理，並讓會員們對新界各種飲食文化、歷史古蹟和社區發展等領域有更深入的理解。

是次活動為文物學會創會十六年來首次在新市鎮舉行城市定向活動。圓滿成功不但有賴會員們的踴躍參與，還需感謝學會負責老師、參與規劃遊戲和實際執行遊戲的委員的意見和配合。這反映出本學會力求盡善盡美，並積極實踐培育優秀導賞員、明日領袖的創會使命。

是次活動的經驗，將有助於我們在及後的活動中力求創新，本學會不但期待各位會員踴躍報名在八月上旬舉行的導賞員訓練營，亦希望各位有志於成為導賞員的同學下學年報名加入文物學會，期待下一年在文物學會的大家庭與你們見面！

I will try my best to find the answers

We are Docents!

作為文物學會本年度的領袖之一，能與這樣敬業樂業的團隊共事，實在與有榮焉！讓我們延續本年度所凝聚的團體精神，共同籌備與期待於暑假舉行的一年一度文物學會導賞員訓練營吧！

Empowering Independence: Life Skills Workshops Equip S1 SSC Boarders for Self-Reliant Living

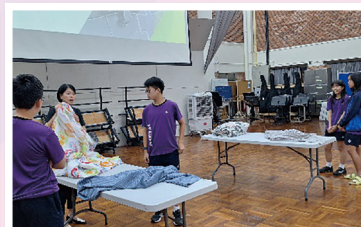

Taking care of oneself without the help of parents or domestic helpers becomes a great challenge for most S1 boarders who leave home for the first time and begin boarding at SSC. To equip them with the life skills needed to cope with daily life, the Boarding Section has offered a series of workshops for our S1 boarders, including:

Managing Your Boarding Place

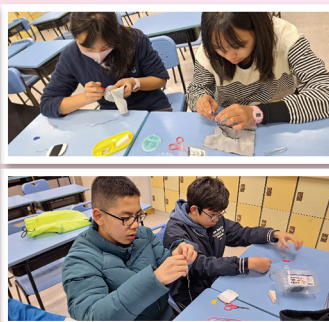

Making a Bed

Tying a Tie

Ironing

Mending by Sewing

Treating Scrapes and Sprains

Practicing Mindfulness

Peer Mediation

A heartfelt thank you to the Boarding Section staff and Hong Kong Family Welfare Society social workers for diving into these workshops with our S1 boarders. Their time, patience, and care have given students the tools—and the courage—to spread their wings.

From Home to Dorms: A Three-Week Leap Toward Confidence and Community

Boarding Taster Programme

The three-week Boarding Taster Programme offers students a unique opportunity to experience campus life beyond the classroom. After school, participants follow the same schedule as regular boarders—students enhance their self-management skills through dormitory activities, mentorship, and growing alongside their peers.

Parents' Top Questions

Will my child adapt to boarding life? Can they manage the schedule? Will they get along with roommates?

These concerns naturally fade as the programme unfolds. On drop-off day, many parents feel a bittersweet mix of newfound freedom and reluctance to let go. While they may eagerly help unpack initially, by the final day, students pack their belongings themselves.

A Time of Transformation in Middle School

This phase marks a journey of growth for both students and parents. As parents gradually step back to allow their children to flourish. Students embrace new challenges such as mastering self-care, building friendships, and cultivating self-discipline. The three-week programme creates a safe space for this shared exploration of independence.

Heartwarming Moment

One touching moment occurred when some students chose to skip a celebratory Poon Choi dinner to stay in the dormitory with an injured roommate, sharing simple takeout meals instead. This act of kindness reflects the bonds formed during the programme. We are grateful to parents for trusting us with their children—a trust rewarded with cherished memories and lifelong friendships.

The Boarding Section remains committed to fostering home-school co-operation. Together, we strive to create a holistic learning environment where students thrive academically, socially, and emotionally.

Your room may be small, but your memories will be huge!

Boarders' Talent Show 2025

The annual "Boarders' Talent Show" once again brought the house down on 22nd January 2025, as our boarding students showcased their extraordinary talents. The night was packed with wonderful performances, including singing, dancing, musical instrument performances, drama, and more.

This year, we celebrated two outstanding champions: 1H Mok Ngo Yin Aidan amazed the crowd with his lightning-fast nunchaku skills, while 4D To Hoi Ching captivated everyone with her elegant and powerful Latin dance performance. The atmosphere was absolutely electric, with the audience cheering enthusiastically throughout the evening!

We would also like to extend our special thanks to our boarders' a cappella group for their great performance, and to the members of the working committee for their dedication and contributions.

Congratulations to everyone for making this year's Talent Show such an unforgettable and dazzling event!

Breakthrough Exhibition: 'Here we are'

During last December's exam period, we collaborated with Breakthrough to create a unique stress-relief experience. The Carol Yang Black Box Theatre was filled with inflatable pillars printed with common pressures like "我都係為你好啫" ("I'm only doing this for your good") and "畀人見到我有情緒,會覺得我好廢?" ("Will people think I'm weak for showing emotions?").

Students discovered an important lesson through physical interaction: the harder they punched these inflatable pillars, the stronger they rebounded. This became a powerful metaphor for how aggressively confronting our problems can sometimes create more resistance. Many found gentler, more mindful approaches worked better - both with the pillars and their actual stressors.

The activity sparked meaningful discussions about healthy coping mechanisms during exams. Some students even developed strategies together, turning individual stress into shared solutions.

This event reinforced our belief that emotional awareness is just as important as academic preparation. We're proud to offer these innovative ways to help students navigate challenges.

Staff Development Day 2025: Embracing AI in Education

We are delighted to share the outstanding outcomes of our Joint-School Staff Development Day, held on 2nd May 2025, in collaboration with HKUGA College. This pioneering event united over 200 educators from both schools to explore transformative AI strategies, fostering pedagogical innovation and cross-school synergy.

Vision & Foundations

The day commenced with a warm welcome by Mrs Abby Kwok (SSC) and Mr Chris Chiu (HKUGA), who emphasized our shared commitment to future-ready education. Following an energizing ice-breaking session, renowned expert Mr Harsh Winder delivered a keynote on AI in Education. His insights illuminated AI's role in personalizing learning, predicting student needs, and streamlining administrative workflows—setting the stage for hands-on exploration.

Workshop Deep Dive: AI in Action

Educators engaged in five tailored workshops, blending theory with classroom-ready tools:

1. SSC's "AI Integration for Daily Teaching" (Mr Theodore Tam & Mr Jonathan Law) demonstrated AI-driven lesson planning and resource curation.
2. SSC's "AI Feedback Tools for Assessment Literacy" (Ms Shinya Tan, Mrs Elaine Pun, Ms Faye Lai) showcased automated grading systems to enhance feedback efficiency.
3. HKUGA's "AI for Value Education" (Mr Chris Chiu) explored ethical simulations for humanities inquiry.
4. HKUGA's "AI Learning Platforms" (Mr Gary Lam, Mr. Chapman Kong, et al.) analyzed adaptive tools for boosting student performance.
5. HKUGA's "Microsoft 365 Copilot" (Mr Bertram Jiang) revolutionized administrative tasks with AI automation.

Cross-School Wisdom Exchange: Enriching Curriculum & Leadership

A highlight was the subject-based and leadership sharing sessions, where educators and administrators from both schools engaged in focused dialogues.

Subject leaders (Chinese, English, Mathematics, Humanities, Sciences, Arts, PE, and ICT groups) exchanged innovative curriculum strategies, assessment methods, and resource integration approaches. Simultaneously, school management teams discussed policy frameworks and student support systems.

These deep-dive conversations fostered mutual learning, identified best practices, and sparked ideas for cross-school projects. The synergy demonstrated our commitment to advancing teaching excellence—directly benefiting students through enriched classroom experiences and aligned educational vision.

Looking Ahead

This collaboration marks a milestone in our journey toward tech-empowered education. The insights gained will directly benefit classroom experiences, ensuring our students harness AI responsibly and creatively. We extend heartfelt thanks to HKUGA College, all speakers, workshop leaders, and the Staff Development Committee for making this day a resounding success.

English Week

In late February, the English Week was back with a bang! Just like last year, we worked with a large local bookstore to bring an exciting array of English fiction and non-fiction books to SSC, all at discounted prices. Students had a great time checking out the teachers' picks, scooping up copies of their own, and visiting the three English Society game booths. The highlight of the week was no doubt the English Drama Club's mesmerising rendition of the American play 'Our Town' at the whole-school assembly. Having planned and rehearsed for months, our young talents delivered a profound message on life and death. With the generous support of the Hong Kong Arts Development Council and our artist-in-residence, Ms Jen Lam, English and Drama at SSC are surely scaling new heights!

English Drama Club

The English Drama Club has participated in two competitions this year and has proudly brought home prestigious prizes! In the 'Speak-up Act-out Drama Competition', organised by the EDB NET Section earlier in March, our Vice-chairperson, 4D To Hoi Ching, earned herself the 'Superstar Performer' award with her superb acting skills. In April, the team participated in the AEMSS Drama Fest 2025 with their original script 'Ashes', which was awarded the 'Outstanding Performance' prize, and our ensemble cast who played the roles as hallucination characters were given the 'Outstanding Performer' award for their remarkable teamwork and thrilling performance!

The team has worked through a very eventful and fruitful year! Their hard work, dedication and unprecedented teamwork have been hugely rewarded. Congratulations to the team of superstar student directors, actors and backstage helpers!

S3 and S4 DSE Experiential Learning

Experiential learning is at the heart of our English curriculum. Through visits, field trips and other hands-on activities, we provide authentic contexts in which students connect language learning with real-life experiences.

In late February, S3 students joined a walking tour of Sham Shui Po, Yau Ma Tei and other neighbourhoods to deepen their understanding of traditional customs and grassroots culture. They then produced exquisite travel brochures and presented them to their classmates at a 'gallery walk'. Then, in May, S4 DSE students paid a visit to local heritage sites, including Tai Kwun, PMQ, Blue House and Asia Society Hong Kong Center, where tour guides introduced them to Hong Kong's efforts at conservation and revitalisation. They had a wonderful opportunity to share their new insights into the topic with teachers and all students in the form.

What we teach in the classroom comes to life at these fun and enriching activities. Stay tuned for more in 2025-26!

SSC Stars on the Air — RTHK 'In the Common Room'

As part of an EDB initiative, our senior students 4D Lee Chun Hei, 5D Yang Lin Xi, 5H Tam Yuk Wang and 5Y Lai Cheuk Kei Brandon were invited by RTHK to appear on their English programme 'In the Common Room: Open Space with Cruz'. They had a fruitful and memorable exchange on heritage conservation with the host and the wider community.

The episode was broadcast on RTHK Radio 3 on 20th May at 9:05 pm. If you are interested in 'meeting' our stars on the air, do scan the QR code or visit the RTHK website (<https://podcast.rthk.hk/podcast/item.php?pid=1801&eid=258993>).

Harvard Prize Book 2025

The Harvard Prize Book is awarded annually by the Harvard Club of Hong Kong to outstanding S5 students who have achieved academic excellence in English Language, possess exceptional personal qualities and have made a significant contribution to their school or community. Our awardees this year are 5D Wong Tsz Chun, 5L Chan Him Yu Jonas and 5Y Mak Hang Chi. Congratulations to all of them!

Knowledge Exchange — Promoting Values Education

Curriculum development is one of our strongest suits. In October and December 2024, Mr Theodore Tam, the English Panel Head, was invited by the English Language Education (ELE) and Native English-speaking Teachers (NET) Sections of the EDB to deliver two seminars on how we enrich English lessons through promoting Values Education, cross-curricular collaboration and experiential activities. Mr Tam and Ms Cheyenne Chan were also invited to record a presentation on the same topic for an upcoming EDB online course.

English teachers at SSC are always keen on professional dialogue that improves teaching and learning. Looking forward to more exciting opportunities ahead!

Our IMMC Adventure: Teamwork, Triumph & 10,000 Words!

Participating in the IMMC was intense! Teaming up with 5D Qin Zhenghong, 5L Chan Chun Yin and 5Y Lui Hei Ching for my first team Math contest, we faced a unique challenge: building a mathematical model from scratch in just 4 days. No textbook answers here! We debated fiercely over the best approach while writing our essay, but working through those disagreements together taught me so much. It pushed me to apply classroom Math to messy real-world problems and really sharpened my teamwork and communication skills.

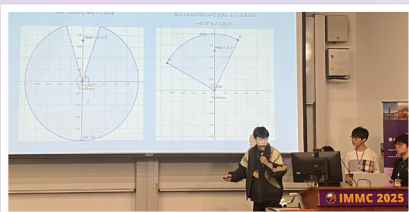

A highlight of this journey was advancing to the final presentation at CUHK, where we presented our solution alongside other top teams. Ranking in the top 25 out of over 1200 teams was completely beyond our expectations! Meeting such talented peers and getting feedback from professors opened our eyes to amazing new problem-solving techniques and broadened our whole view of Math.

Huge thanks to our school and especially our teacher advisor, Mr Timothy Lee, for their support. But most of all, thanks go to my awesome teammates. Our shared dedication, writing over 10,000 words across two essays and refining endlessly, made this possible. From the first late-night brainstorm to presenting on stage, this journey deepened my love for Math and showed me the power of truly working together. Unforgettable!

HKEX Visit

On 4th March 2025, F5 BAFS students had an insightful visit to the Hong Kong Exchanges and Clearing Limited (HKEX). During the tour, students learned about the crucial role of HKEX in the global financial market, exploring various functions such as trading, clearing, and settlement. Engaging presentations by industry professionals provided valuable insights into market operations, fostering a deeper understanding of the dynamic nature of the stock exchange. This experience enhanced their practical knowledge and sparked interest in the finance sector.

Gala Musica Chamber Compositions Concert

Our students were thrilled to participate in the Gala Musica Chamber Compositions Concert organized by the Education Bureau (EDB) and co-organized by the Hong Kong Composers' Guild. This event provided an excellent platform to showcase the incredible talents of our students, as nurtured through our Music Creativity Program, guided by our dedicated tutor, Dr Ada Lai.

We are immensely proud of 4D Lee Chun Hei, who received a Certificate of Appreciation for his work 'A Fearful Dream', and 4L Au Tsz Ho Marcus, who earned the Performers' Adjudication Award and was nominated for Hong Kong Composers' Guild Mentorship Scheme with his piece 'Echoes of a Changing City (城市變遷的迴響)'.

Additionally, 6L Samuel Mok Kwan Chung, a previous recipient of two outstanding composition awards, had his composition 'The Spirit Sound (傳承·匠心)' premiered by professional musicians under the guidance of Mr Julian Chan and with the support of the Hong Kong Composers' Guild Mentorship Scheme. Samuel's piece, along with Marcus's composition, beautifully combined Chinese and Western instruments, leaving the audience in awe.

Hong Kong Inter-School Choral Festival Mass Choir and Carnival Day

Our Treble Choir and Junior Vocal Ensemble recently represented SSC at two flagship events of the Hong Kong Inter-School Choral Festival (HKICF), demonstrating remarkable musicianship and collaborative spirit.

On 24th January 2025, our Treble Choir participated in the non-competitive Mass School Choir Masterclass at Sha Tin Town Hall under the guidance of renowned music educator Dr Susanna Saw, Vice President of the International Kodály Society. This transformative workshop brought together students from across Hong Kong to refine vocal techniques and embrace the joy of ensemble singing through collective learning.

Furthermore, on 5th April our Junior Vocal Ensemble joined the premiere HKICF Choral Carnival Day at Central Harbourfront's AIA Vitality Park. In this vibrant outdoor celebration, our students collaborated with the Chamber Boys' Choir of HKBU Affiliated School Wong Kam Fai Secondary and Primary School and the secondary choir from Shenzhen Hong Kong Pui Kiu College LongHua XinYi School, performing alongside 1,500 singers from over 30 choirs in the two-day event.

家長教師會深圳一日遊

今年家長教師會舉辦的春季旅遊對聖士提反書院來說格外特別，因為我們首次走出香港，前往深圳進行探索。此次活動於三月二十九日舉行，吸引了一百零六名參加者，包括校長、老師、家長和學生。雖然天氣陰雲密布，但幸運的是並沒有下雨，讓我們的行程得以順利進行。

早上九時正，我們在落馬洲福田站集合，隨後搭乘旅遊巴前往甘坑小鎮。這裡的風景如畫，讓人流連忘返，許多人把握機會拍照留念。此外，鎮上的小吃更是琳琅滿目，讓大家大快朵頤。

在午餐前，我們參加了特別安排的工作坊，學習製作木筷子、香囊和染扇。親手製作這些傳統工藝品，不僅讓我們體驗了中國文化，還增強了團隊合作的精神，大家都感到非常有意義。

午餐時，我們在鳳凰客家餐廳享用了美味的菜餚，並舉行了抽獎遊戲，氣氛熱鬧非凡，增進了校長、老師、家長和學生之間的友誼。

餐後，我們又坐上旅遊巴，前往中國聯通數位化創新體驗中心。在那裡，我們體驗了中國現代科技的最新成果，了解其對我們日常生活的影響。這次參觀讓每個人都大開眼界，對科技的發展有了更深的認識。

此次春季旅遊不僅增進了彼此之間的友誼，也讓我們更好地了解了中國的文化和科技，讓每位參加者都留下了美好的回憶。期待大家明年再踴躍參加家長教師會舉辦的春季旅遊！

生命教育系列 - 家長教師會晚餐講座： 粵港澳大灣區的發展為我們香港新一代帶來的機遇

在中國整體發展藍圖中，粵港澳大灣區旨在加強區內主要城市的交流和合作，以創新及協作的方式提升優質而高效的經濟發展。從香港的角度來看，這將會給我們帶來什麼機遇及挑戰？這對我們及我們的下一代會有什麼影響？

家長教師會非常榮幸邀請到李浩然博士為我們於晚餐講座分享。李浩然博士（榮譽勳章，太平紳士）現任香港特區立法會議員、全國人大常委會香港基本法委員會委員、基本法基金會會長、中國文化研究院理事、團結香港基金顧問及北京市政協委員。在商界，李博士是華潤集團大灣區戰略官、華潤創業董事及副總裁。

講座在二零二五年三月七日於金鐘舉行，共有超過五十名家長、老師及同學參加。李博士讓我們能更深入地了解粵港澳大灣區的特點，以至未來大灣區發展所需要的人才，尤其是複合性人才，應該具備的特質。其中，講者也就如何培養香港新一代人才提供一些方向性建議，例如：保持開放的態度、增廣見識、加強表達能力及團隊合作性（共融能力）；以及講解未來企業發展趨勢：超大型或微細企業將更能突破限制，更具備發展空間。講者觀點清晰易明，又有系統性的數據支持。參加者除了享用一頓美味的晚餐外，也被啟發了去思考未來香港青年人的發展方向，獲益良多。

SSC S6 Cheerio Day

Ice cream, cotton candy, popcorn, and egg waffles = fun, friendship, and unforgettable memories!

Co-sponsored by the School, Principal Mrs. Ma, and SSCPTA, a special event was held on 6th March 2025 to cheer for our S6 students on their last day before the public exams. A heartfelt thank you to the more than 30 parent volunteers who staffed our booths at the Student Center, Centenary Building, and Grand Hall, ensuring a steady supply of delicious treats throughout the day.

On Cheerio Day, the cotton candy, popcorn, and egg waffles were freshly made by our parent volunteers on the spot, creating a delightful atmosphere filled with sweet aromas and cheerful sounds. All students and staff were invited to enjoy these tasty snacks, and the excitement was palpable as everyone savored each treat. Many expressed their appreciation for the hard work of the parents who prepared the snacks, making the day even more special.

Through this event, we wish to bless the graduates every success in their public exams, and extend our gratitude to Principal Mrs. Ma, along with all teachers and staff, for their dedication and guidance to our students.

香港聖雅各福群會食物銀行「賀年禮品轉贈計劃」

聖雅各福群會食物銀行主辦的「賀年禮品轉贈計劃」今年突破傳統，首次在農曆新年前收集禮品並轉贈予低收入家庭、長者及有需要人士，促進社會共融。過往活動於年後舉行，今年提前送暖，讓受惠家庭也能喜慶過節，感受節日溫暖。

每年聖士提反書院家長教師會聯同小學部家長教師會共同參與，家長學生們積極捐贈賀年食品、禮盒，從中學習關愛與分享。今年，活動反應熱烈，捐贈數量再創新高，展現社區互助精神。此舉不僅減少浪費，更讓學生體會施比受更有福，攜手傳遞節日祝福。

家長教師會親子長者家訪

衷心感謝各位家長和學生的熱情參與，以及社工團隊的精心安排，讓我們的親子長者家訪活動圓滿舉行。活動中，我們遇見許多令人動容的畫面：一位患有眼疾的長者是由外傭照顧，她很少有機會與人深入交流，婆婆雖然看不清楚，但當她見到家長和孩子們時，臉上洋溢著幸福的笑容，馬上說個不停，直到我們離開時，她也走出門外向我們說：「我送你們吧」；另一位由年邁家人照顧的輪椅婆婆起初一直自責，還不斷重複「我沒用了」，直到孩子們跟她說話，才終於展露笑顏。這些只是眾多案例中的兩個縮影。

特別令人感動的，是探訪結束後，兩位熱心的長者義工主動帶領我們遊覽赤柱，沿途詳細講解這個地區的歷史變遷。他們生動的敘述讓孩子們聽得入迷，連家長們也收穫良多。老人家們將自己的人生閱歷與社區故事娓娓道來，為這次活動增添了意外的文化色彩。

這次探訪讓我們深刻體會到，即使有家人或外傭照料，長者們的心靈依然渴望溫暖。外傭對環境陌生，年邁的照顧者力不從心，這些隱形的需求更需要社會關注。特別感動的是平時活潑好動的孩子們，此刻都變成了貼心的傾聽者。

臨別時長者們依依不捨的眼神，讓我們明白這不僅僅是一次活動，更是一份需要延續的承諾。期待未來能繼續為長者帶來更多溫暖時光。

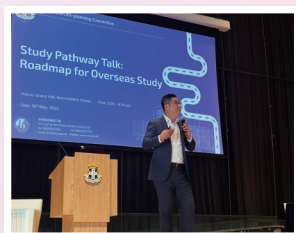

PTA Study Pathway Talk: Roadmap for Overseas Study

The Study Pathway Talk held on 10th May 2025, was a remarkable success, with over 200 students and parents in attendance. Recognizing the considerable interest among SSC families in pursuing overseas education, this event aimed to provide a comprehensive roadmap for both students and parents navigating the complexities of international study options.

The talk featured an insightful lineup of speakers, including Mr Corwin Kan, SSC Assistant Principal & Career Master; Ms Chloe Wong, SSC University Guidance Counsellor; Ms Helen Chan from Go Oxbridge; and Mr Rennie Wong, a Registered Social Worker at HKFYG. Their collective expertise offered invaluable guidance about the various pathways to overseas universities.

We are thrilled with the positive feedback received and look forward to continuing to support our students in their educational journeys.

PTA Career Talk "Beyond the Horizon: Unlocking Opportunities in Further Education"

Selecting the right study pathway is foundational for students' academic success, career fulfillment, and overall well-being. It requires careful consideration of personal interests, strengths, and future aspirations. Students who choose a field that matches their skills and passions are more likely to find fulfilling work after graduation.

At the beginning of this year, a career talk titled "Beyond the Horizon: Unlocking Opportunities in Further Education" was held for our students and parents on 25th January 2025 in Grand Hall, Benevolence House. The event aimed to support parents and students in making informed choices. With over 300 parents across six forms in attendance, it was a resounding success. This high attendance rate underscores the significant interest within the SSC community in exploring education opportunities.

We extend our gratitude to the speakers for sharing their valuable insights on various study options, including pathways in Hong Kong as well as popular overseas destinations:

Mr Corwin Kan, SSC Assistant Principal & Career Master
Ms Celine Chan, SSC University Guidance Counsellor
Ms Chloe Leung, SSC University Guidance Counsellor
Mr Rennie Wong, Registered Social Worker at HKFYG

Special thanks to our Principal, Mrs Ma, for her support and presence at the event.

園藝心靈工作坊

今年二月份，我們很榮幸再次邀請到宗教教育中心的林世華姑娘，於聖保羅堂為大家舉辦了一場園藝治療活動。這場活動以「療癒心靈 栽種希望」為主題，透過與植物的親密互動，讓參與者體驗了一場身心靈的放鬆之旅。

活動當天，我們精心準備了豐富多樣的材料：各式小巧可愛的多肉植物、富含營養的泥土、色彩斑斕的裝飾碎石，以及充滿童趣的迷你擺設。在林姑娘專業而溫柔的引導下，五十多位老師和家長們隨著自己的呼吸節奏，逐步將這些元素組合成獨一無二的微景觀盆栽。

看著大家從一開始的緊張期待，到後來全神貫注地投入創作，最後捧著自己精心設計的盆栽露出滿足的笑容，這場活動確實達到了預期的療癒效果。許多參與者回饋表示，這樣的創作過程讓他們暫時忘卻日常壓力，找回內心的平靜。

這些承載著美好心意的微景觀盆栽，不僅是活動的成果，更象徵著每個人心中那份對美好生活的嚮往與期待。我們期待未來能持續舉辦這類活動，讓更多人在繁忙生活中找到一處安頓心靈的綠洲。

靜觀家長體驗工作坊

剛剛過去的四月，我們在聖士提反書院尚善樓舉辦了《靜觀家長體驗工作坊》，邀請到資深臨床心理學家及靜觀導師陳燕妮女士擔任講者。陳女士以生動而深刻的方式，帶領家長們探索靜觀與教養子女的結合。

活動中，我們不僅學習了教養子女相關的心得與知識，更親身體驗了「靜觀步行」、「靜觀呼吸」等練習。其中，二人分享環節尤為難忘——我與夥伴Anita透過「三分鐘純然聆聽」的練習（不反駁、不插話，全然專注於對方的分享），意外收穫了許多溫暖而深刻的人生故事。這種純粹的傾聽，讓我們體會到人與人之間最真誠的連結。

尾聲時，導師提問：「今天最觸動你的收穫是什麼？」對我而言，「靜觀步行」的實踐無疑是最大的啟發。原來在繁忙生活中調節情緒，可以如此簡單——只需專注於每一步的當下。這兩個月來，我持續練習，真切感受到它的益處。

唯一的小遺憾是當日天公不造美，未能進行戶外步行練習。期待新學年能再次舉辦類似活動，讓更多家長體驗靜觀的力量，在分享與學習中共同成長。
